Prepared for ServiceNow Flow Designer project submission

Persona: Employee Requesting a Standard Laptop

Says

- I need a Standard Laptop for my work.
- I have submitted the request and am waiting.
- I expect the request to move forward after approval.

Thinks

- The request should progress automatically.
- I should not need repeated follow-up.
- IT should know what configuration is required.

Does

- Opens Service Catalog.
- Selects Standard Laptop.
- Places the order.
- Waits for approval and fulfillment.

Pain Points

- Manual hand-offs.
- Configuration may not start promptly.
- Task ownership may be unclear.

Needs / Gains

- Simple ordering.
- Timely progression.
- Clear Hardware ownership.
- Reduced manual intervention.
